HALL 05

STAND C34

Tube 2010, Düsseldorf / Germany

For manufacturers and suppliers of tubular materials and components, as well as the machinery and method for productions of tubes and hollows, the event of Tube 2010 in Düsseldorf / Germany is the perfect opportunity to learn about new technologies.

Tube Clean GmbH welcomes you to a presentation of a **novelty** in hose-, tube-, and pipe-cleaning technology. Visit our Stand C34 in Hall 05.
